

AFTERNOON

Designer: Claesson Koivisto Rune

"As the name reveals, Afternoon was designed after Noon. The idea was to design a space efficient chair with a belonging easy-chair. The rounded edges on the seat enhance a visual lightness. Both the chair and easy-chair are stackable and very comfortable."

F-255

Stackable easy-chair

Performance

Chassis in chromium or silver lacquered metal.

Upholstery

Fire retarding polyether foam.

Fabric requirements

1=130 cm, 2=230 cm
